General Information

Any level or any content classes can be offered, as long as we have 4 students per class.

In These Classes, we follow the curriculum in the books named below and samples of culture.

French Culture & Music: Develop oral & written comprehension & expression through French Cultural Icons representing France and French people, as well as through a selection of less traditional French songs (local and International francophone artists).

Theater Class: What better way to practice the French Language? Use the theater as an effective tool to refine your speech, enrich your vocabulary and excite your imagination.

NOTE: Teachers Schedule may change (depends on the registration for classes).

There are 6 sections for each of the first 3 levels (Beginners, Intermediate & Advanced).

If you are unsure what level to start with:

It is recommended to visit us and consult our textbooks content. We allow you to sit in a couple of classes of different levels to help you determine which level is best for you.

After attending a class, you may switch classes (if it was not the right level).

We offer private lessons. (And lessons by Skype)

The cost is \$50 per hour for 1 student, \$70 per hour for 2 students or \$90 for 3 students. We add an extra \$0.54 per mile, for the round trip of the teacher driving to the designated location. If a teacher can meet you at our Alliance Française Office (Junior League location) on a Monday or Wednesday early in the evening (4:00-5:30) then you will only pay for the lesson not for the mileage.

I thank you for your interest in the French Language and all the services offered by us.
